

ZHAILAU 2022

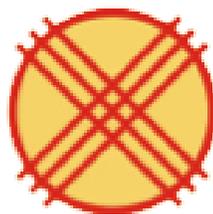

A Kazakh-Themed Summer Gathering for Families

NEW! 2 Registration Options:

4 Nights July 6 - 10, 2022

3 Nights July 7 - 10, 2022

Plus: Add Extra Days at Either End without Programming

Zhailau: Kazakh word for the summer encampment of the nomads.

New This Year

2022 marks the return of an **in-person Zhailau** at Geneva Point Center! Responding to feedback from our community and to meet the changing needs of our population, Zhailau's familiar format has evolved to focus more on multi-age group activities, and extensive social time to enjoy the site's recreational options.

Kazakh-themed programming will be scheduled every day, but Zhailau's traditional classroom structure has been eliminated in favor of what many youth have requested – more time to socialize and just be together. (Unfortunately, we will not have a Kazakhstani team with us this year due to costs and the impact of the pandemic.)

Offerings for all-family programming each day will include activities like Kazakh music, crafts, culture, games and traditional cooking.

We are now offering 2 registration options:

4 Nights: Check-in: Wednesday, July 6, 2:00-4:00 PM

Check-out: Sunday, July 10, 10:00 AM

3 Nights: Check-in: Thursday, July 7, 2:00-4:00 PM

Check-out: Sunday, July 10, 10:00 AM

Plus, sign up for extra nights at either end of Zhailau to spend time with family or friends.

Registration & Payment

IMPORTANT - Registration is now a two-part process with fees paid at each step.

- You will first register with the Aul and pay a minimal per person participation fee to cover programming costs.
- The second step involves booking lodging directly through the Geneva Point Center portal. This nightly fee will cover housing, all meals and GPC's amenities.

Optional donations to the Kazakh Aul are gratefully received toward the costs of keeping the organization running the entire year.
