

ZHAILAU 2018

Kazakh Heritage Camp for Families

July 16 - 21, 2018

GENERAL INFORMATION GUIDE and REGISTRATION FORMS

Zhailau: Kazakh word for the summer encampment of the nomads.

“Alive, life-changing, affirming”

“Magical, supportive, informative”

“Wonderful, loving, community”

“Perfect, welcoming, genuine”

The Kazakh Aul of the U.S. (KAUS) is a unique community dedicated to Kazakh culture that provides opportunities for genuine kinship across generations.

The collective strength of our special community has always been inspired by traditional, nomadic Kazakh villages, known as Auls. We are grateful to our Kazakhstani leaders and teachers who lovingly provide cultural guidance and are wonderful role models to our children and families. Without them, we would not be the strong and connected Aul we are today.

Whether you have joined us before, or are new this year, you are part of our Aul and we welcome you!

General Information

Zhailau is a special time devoted to celebrating the amazing culture of Kazakhstan. The week promises to provide an opportunity to bring children and families together to explore Kazakh culture, learn from each other, relax, and play -- all while enjoying the lakefront setting of our host site, the Geneva Point Center (GPC). We look forward to gathering again, along with our beloved Kazakhstani teachers, to celebrate our children's birth culture -- together. During this memorable time, we nurture existing friendships and establish new ones with families from all over the country. Children have the unique chance to bond with other children whose families have strong Kazakh connections.

This 5-night retreat is **all-inclusive**. The price you pay *includes lodging, all meals, and participation in all activities*. There are a variety of accommodation choices available to meet your budget and lifestyle.

Authentic Kazakh cultural experiences: Our programs are the culmination of the collaborative effort of many dedicated volunteers and our enthusiastic and caring Kazakhstani Team. Kazakh cultural activities are held each morning and whole-group activities are offered most evenings. Offerings may include:

Kazakh dance :: Dombra :: Kazakh crafts :: Archery
Kazakh history and culture :: Kazakh field games :: Kazakh traditional cooking

Old-fashioned camp activities:

Participants will have most afternoons free to socialize or enjoy quiet time. Choose from many of the recreational activities offered by GPC including swimming or boating on the waterfront (beaches supervised by certified lifeguards), playgrounds and hiking.

Group meals:

Zhailau participants will eat three buffet-style meals together each day. If you are vegetarian, please note that a vegetarian option will be offered at each meal.

Aul Duken:

Throughout the week, you will have the opportunity to shop at our store, the Aul Duken. We have a wide range of items that have come directly from Kazakhstan. Come purchase souvenirs, jewelry, T-shirts and other great Kazakh items. We end the week with a silent auction of some of our most unique pieces. Cash, checks, debit cards and credit cards accepted. Proceeds help fund future Zhailau gatherings.

Schedule:

Check in – Monday between 2:00 – 4:00 p.m.
Check out – Saturday by 10:00 a.m.

Kazakh activities and classes are offered each morning and are scheduled according to your child's assigned group. Parents accompany their child(ren) to classes and are able to partake in learning about Kazakh culture as well. Most afternoons are unscheduled, allowing free time for relaxation and/or socializing with other families. Optional group activities are often a part of our evenings together.

Children's Programming

One of our primary objectives is to provide all attending children with meaningful, enjoyable access to a variety of aspects of Kazakh cultural traditions. Children are assigned to developmentally appropriate classes and peer groups, enabling them to best benefit from the foundational classes offered. They will attend classes and participate in activities enhancing their cultural understanding. Our oldest children may participate in a group that offers age-appropriate leadership opportunities.

Staff and Organizers

KAZAKHSTANI TEAM

Each year we are privileged to have dedicated and enthusiastic team members to share their knowledge, passion and enthusiasm with our community. The Kazakhstani team works long hours each day to create and deliver our amazing programming. Their dedication to our mission, and our children, is evident in everything they do - - from formal class time to performances to unscheduled fun together. The bonds that are formed with the Kazakhstani team have a lasting impact on our families.

The KAUS Leadership and Project Management teams

Throughout the year, the Kazakh Aul of the US is run by a small Leadership Team of volunteers who are dedicated to keeping our organization vibrant. In the months leading up to Zhailau, many additional members of our community step in to a variety of roles to plan, create and execute all the elements of the programs and events that comprise Zhailau. We are grateful for the time this amazing team devotes to the event, both before and during Zhailau. We welcome your support if you have time to donate.

HOW ZHAILAU HAPPENS

Zhailau is a volunteer-run event in which every community member plays a role. Traditional Kazakh Auls were nomadic villages that relied on the involvement of *each and every* member for survival. It was an honor and a privilege to contribute to the functioning of the larger whole. The Kazakh Aul of the U.S. is inspired by this belief, and Zhailau is a place where Kazakh spirit and tradition are embraced.

All adult Zhailau participants contribute to running the camp. This effort fosters a special community experience. Each adult is expected to assist with assigned, organized activities during the week. Sign-up for volunteer activities will be completed on-line. At some point after registration, you will be sent an email invitation to electronically sign up for community participation jobs. Detailed instructions will be given at that time — *but please be on the lookout for this email.*

Note: Single parents with children under the age of 9, who feel they may not be able to make child care arrangements, may opt out of this requirement.

Housing Assignment

Indoor housing assignment is based on a lottery. Outdoor camping slots are filled on a first-come, first served basis. If camping outside is your first choice, you will not go through the indoor housing lottery.

Process for the Indoor Housing Lottery

1. To be eligible for the Indoor Housing Lottery, your fully completed registration form, *including deposit*, must be received by March 15, 2018.
2. If a family does not receive housing based on the results of the lottery, or if registration is received after March 15th, the family will be placed on our waitlist. Families who wish to be removed from the waitlist, or who are not eventually assigned housing, will have their deposits returned.
3. Families will be notified of their housing or waitlist status no later than March 31st. Assignments to indoor housing units are made based on randomized lottery ranking, preference, family size, and availability. Every attempt will be made to give families first-choice housing. First and second preferences for accommodations must be noted on the registration form.

Note: We occasionally get requests from people who wish to stay off site. Unfortunately, we cannot accommodate such requests due to programming and capacity limitations.

Registration & Payment

- ⊕ For consideration for the Indoor Housing Lottery, fully completed registration and deposit payment must be received by the firm deadline of March 15, 2018. You may submit your registration on-line at www.kazakhaul.org and send deposit via immediate or mail-in payment options, or you may complete the form on pages 9 & 10 of this document and mail it in with your payment.
- ⊕ E-mail confirmation of receipt of deposit will be sent within 3-5 business days. Results of the indoor Housing Lottery will be sent out by March 31st.
- ⊕ All families will pay an initial, non-refundable deposit of \$400 *per family* at the time of registration. Final payment of the remaining balance will be due by May 31st, but accepted at anytime before the due date. (Reservations made after May 31, 2018 must be paid in full with registration.)
- ⊕ Final payment must be made on time. Failure to do so may result in revocation of your housing assignment and forfeiting of deposit. Your fees must be paid-in-full in order to attend Zhailau.
- ⊕ Payment should be made by check or money order only, payable to the Kazakh Aul of the U.S. and drawn on U.S. funds. Please mail all payments and completed registration forms to:

Policy for Care & Supervision of Children

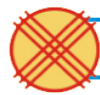

The safety, happiness, and well-being of all Zhailau participants is of the utmost importance to the Kazakh Aul of the U.S. Please note that Zhailau is unlike other camps with respect to child supervision.

- ⊕ At Zhailau, the care and supervision of children is **solely** the responsibility of parents or parent-designated adults. All parents/guardians who attend Zhailau are responsible **at all times** for their children. Representatives of the Kazakh Aul of the U.S. are NOT responsible at any time for the care of Zhailau participants, other than their own children.
- ⊕ ALL underage children (i.e. less than 18 years of age) must be supervised by an adult at ALL times.
- ⊕ Parents or guardians must ensure that his/her child(ren) is/are respectful of Geneva Point Center and Kazakh Aul of the U.S. property (e.g., equipment, games, books, facilities, instruments, etc.). Parents will compensate Geneva Point Center and/or the Kazakh Aul of the U.S. for any damages incurred by themselves or their children.
- ⊕ Due to safety concerns, NO children under the age of 18 will be allowed into the cooking area during Kazakh Cooking.
- ⊕ Bike riders are required to wear helmets at all times, must yield to pedestrians in walkways, observe reasonable speeds, and respond immediately to any adult request to stop or reduce speed. A formal written bicycle riding permission policy will be emailed to all families. Bicycle riding at Zhailau is a privilege that can be revoked by the Kazakh Aul of the U.S. or Geneva Point Center.

Classroom Code of Conduct - Children

- ⊕ Our Kazakh volunteers teach with the memory of their own education, which puts a very strong emphasis on **classroom discipline** and **respect** for teachers. Children are expected to:
 - Participate to the best of their ability.
 - Sit up straight in chairs – no slumping.
 - Not talk when the teacher is talking.
 - Not use cell phones or other devices.
 - Not rough house or horse around during class.
 - Remember it is an honor to have these special teachers available to us all.
- ⊕ **Children aged 9+ are expected to attend all sessions.**
- ⊕ **Older groups may have one evening meeting each night.**

Classroom Code of Conduct - Parents

Our Kazakh teachers may require your assistance with your children, especially during the first meeting of each class. With this in mind:

- ⊕ **Classes are progressive.** This may be a vacation for you, however for 3-5 hours a day, please encourage your children to attend all sessions. Makeup sessions do not occur.
- ⊕ **A parent, guardian, or parent-designated adult caregiver of children 8 and younger must be present in each class.** In some classes, adult participation is recommended.
- ⊕ **Parents of children aged 9+ may be asked to assist if behavior becomes an issue.**
- ⊕ We understand parents' desire to socialize, however, please **no talking while class is in session.**
